7) The petitioner was convicted for theft and sentenced to two months imprisonment. The conviction and sentence stand as a bar for his being elected as a member of the R.A, Legislative Council, Municipal Council or the District Committee of the Economic. He says that he is the only educated member of the Vaddar community, that he pays a Kandayam of Rs 250. He is said to have started a co-operative society, and he prays that the disability in his case may be removed. The disqualification was introduced by legislation in the M.L Regn and in the interests of the purity of administration as similar disqualification is introduced in the rules regarding the election to R.A. It does not appear desirable to modify the rule or grant a special exemption. The petitioner can do a lot of good to the public even if he is by birth entitled

NOTE—Contn. sheet.

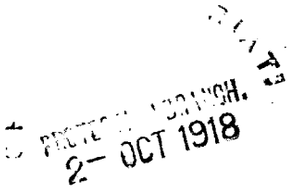
To

The Chief Secretary

To the Government Of His Highness

The Maharaja of Mysore,

B A N G A L O R E.



The humble Memorial of Havaldar Hanuma Bhoyee, Land-Holder ~~Banker~~, and Merchant residing at Lukkavalli of the Tarikere Taluk, Karur District:-

Respectfully showeth:-

Reference Official Memorandum No.J. 1987, Judicial D/ 7-12-1917 of the Governmentof His Highness the Maha-Raja of Mysore, General and Revenue Secretariat, enquiring to state what the particular disabilities of the petitioner are:-

1. Your memorialist begs to state that he owes an apology to Government for not having been able to reply to the above query earlier. The reason for this inordinate delay on his part is due to the fact that he was engaged in completing the construction at Lukkavallief the Hospital Building and the quarters for the Subassistant Surgeon both of which he had voluntarily undertaken to construct at his own expense and to endow them to Government. The opening ceremony of this institution having taken place recently, he is now able to approach the benign Government with his reply to the above query.

2. In consideration of the facts narrated in his former petition to Government he is under the impression that he is not eligible to stand for election

election to the membership of the representative Assembly, District Board, and Municipal Council, Union, or Panchayat; and that he is debarred from placing his honorary services at the disposal of Government in executing any of the above said functions. He therefore humbly prays that the Benign Government of His Beloved the Maharaja of Mysore, may, in the light of the philanthropic service he has rendered for the benefit of his countrymen, be graciously pleased, to relieve him from any dis-qualification arising on account of the punishment he had suffered and thus confer upon him the indulgence prayed for.

3. He may be further permitted to state that under Section 15 of the Municipal Regulation No. vii of 1906 the Government is empowe-red to make, if it shall think fit, ordes to rmove such disqualifications or disabilities pertaining to anyeof its subjects and your memorialist firmly believes that the same principle governs the constitution of similar institutions such as, Local Boards, Representative Assembly, Unions, and Panchayats. Therefore he seeks protection under the above mentioned Prerogative Powers vested in the Government.

4. In conclusionhe begs to submit that if any further proof regarding his behaviour, character, stability, social standing, and his charitable deeds, is needed the matter may be ordered to be kindly enquired into.

Your Honor'smost obedient servant,

Lukkavalli,

Visited the Society this morning. It has done very good business in Banking during 916-17. The distribution of the dividend for that year among the Share holders is expected to give great satisfaction among them. I should think that the capital should at least be raised to Rs 10,000.

Secretary Mr Havaldar Hanumaboyee is taking great personal interest in the work of this popular & useful Society
